SILENCE AND GLANCES

Broom 2

7 Feb 95

We swapped spit and glances @ each other as HOT AS HELL and Horney as well
We 69'd, 96'd, and 86'd into the late afternoon

We washed our backs in the shower
Gave each other massages while NINA sweetly persuaded us in song
We worked together in the kitchen like clockwork
perfect a feast fit for kings
We cleared the table, washed the dishes
sipped on glass of wine, smoked a joint
laughed like school girls, fell into each other
arms bumping and grinding till our clothes
fell off

We slept late into the day, as the Lord's resting
day you said - so should we
We shared stories of our upbringings and
life accomplishments.
I complimented you on that beautiful smile and baby brown
You said I was quite a talker

We kissed so hard my lip bled as we said
our goodbyes
Let's keep in touch, we said in unison
Mon afternoon our paths crossed heading in opposite
direction
I began to speak but you looked through me @ the

houses on the top of the hill
We never spoke
We see each other on a weekly basis and SILENCE
and glances is all that we exchange

My cup is full / it runneth over
It can no longer hold the fluids of this life

POLITICS

Broom 3

DEATH IS WHAT YOU WISH

DONT ASK DONT TELL

Death is what you wish because you can't ask and I don't tell

Well you see, your actions and my observations
tell me death is what you seek
I've come to bring your search to an end, by giving
you an old beginning
Instead of constant consumption of alcohol, we can
start with a kiss on the lips
There will be no need for piling vile after vile &
cocaine into your nostrils
We can just suck the other dry
Dont even think about robbing liquor stores & gas stations
Forget about pulling stunts in banks & department stores
We can fuck all night long, never breaking stride,
eyes closed tightly, teeth clamped down hard on flesh
While Screams of pandemonic delight! Pierce the night
Vibrate from deep within our psyches
I brought you here in search of these pleasures
Firmly knowing death is what you seek
Firmly believing that you want ask and I wont tell.
